Delphos Edition

September 2022

Breathe on me Holy Spirit anew. As autumn begins nights get cooler and we see leaves twirl to the ground searching for a resting place. There is a new wind, a new fire in the air. There is a fire for God in our soul that we cannot contain. Our souls long for a new touch of the Holy Spirit. God beckons us to a deeper experience and a deeper life with Him. Let's unleash God's power freely in our lives to a new infilling of the Holy Spirit. Let's get back to where we belong – on our knees. I will be doing the same! Micah 3:8a, *"I am filled with power and the Spirit of the Lord."* Yes, breathe on us Holy Spirit!

Young friends! Make a roaring, campsite fire to spread the light of Jesus. Paint one hand brown, one hand yellow. Press on paper. Draw brown logs and write your name on one of the logs!! Lord set our heart on fire for YOU! Bring your campsite fire to church and we will put it on the bulletin board!

Your friend, Pastor Kathy
