

# Delphos Edition

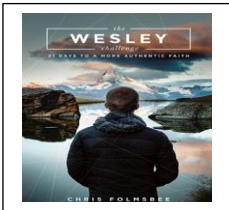

## September 2023

Methodism, an 18<sup>th</sup> Century movement, was originally to reform the Church of England. This movement was shaped earlier through the life of John and Charles Wesley. Later, Methodism came to the shores of America by Irish immigrants who had been converted by John Wesley. So much history with our denomination! Fall Bible Study is a study on Methodism! Let us all journey together through this study renewing and recharging our faith. Books and a journal will be available for those so desiring. You may come and participate without having to purchase the book also! Monica Tilly, UMC pastor, will be teaching. Come join the fun!
